

Faster Than the Pros

Speedtaps™ is a vastly superior tapping solution that will improve the way you work. Our patent pending design is the first tap that can be used with Impact Wrenches &/or traditional Sockets and Wrenches. Speedtaps™ blast through tasks that used to be tedious. With head sizes matching your bolts, the increased efficiency on all your projects ensures tapping will never be the same again.

Have a Fleet that could use Speedtaps™ in the field? We sell in a 60 piece set to help fulfil everyone's needs!
